

2017 Stump Lake

Park, Cafe & Bar

Beautiful Stump Lake is located just 12 miles South of Lakota, ND on Highway #1.

As you enter the park you will see the new Log Cafe atop the hill. Down the winding road you will find the 100 year old pavilion where many dances & events are still held. As you look further, you will see the lake with its abundance of fish species. You will also find that the lake is perfect for tubing, or water skiing, or just cruising around. It is not uncommon to find a wild turkey or deer passing through your campsite on their way to the lake. So whatever type of relaxation you are looking for, Stump Lake Park is sure to fit your needs.
